Chapter 3 by thelastunicorn

I throw my sandwich at the Subway guy
Sayin', "Hey bro, where's the mayo?"
He pulls this crap on me everytime
I got tomato, but I want mayo

I wake up-up-up-up
I want some food inside my tum-tum-tum-tum
I take a leak and then get dressed-dressed-dressed-dressed
Stroll to the place that says-says-says-says
"Eat Fresh"

I'll point at what I want and say,
"I would like some mayonnaise...
On ham."

I throw my sandwich at the Subway guy
Sayin', "Hey bro, where's the mayo?"
He pulls this crap on me everytime
I got tomato, but I want mayo
Cuz I could call your boss, in fact I think I might
Take this sandwich back, and this time get it right
Cuz I ordered once, now I'm orderin' twice
Take this sandwich back, and this time get it right

Walk in, I came to eat-eat-eat-eat
Lots of chairs but don't take a seat-seat-seat-seat
Strut to the counter don't wanna look dumb-dumb-dumb-dumb
So I try my best not to say, "Um-um-um-um."
Uhh...

I'll point at what I want and say

"I would like some mayonnaise...
On ham!"

I'm gonna cut in line
Cuz your hunger's not as crucial as mine
You'll all be fine
Unless you don't let me get my
Mayonnaise, and ham on a
Whole wheat bun
Maybe add some cheese
Think I'll add some cheese
And then I'll get a small Pepsi
I'll get it all for free
Cuz that's their policy...

My fetus friends and I,
Yea, we were violent churren,
pushing each other off of cliffs,
oh, we were quickly dyin',
By 8 or 9 there were only,
a few- of us a-live,
Never smart so we were,
really, very, stupid killers.

Once when I was a little older,
My padre told me,
"Y U aint got no friends u be so lonely",
Once when I was a little older.

I never had any dreams,
I o-nly got nightmares,
My padre said that I was,
"dumb", so I killed my fam-ly
I never had a nice fam,
So it aint matter to me,
Cause only my fetus friends,
Will ever really 'love' me.

Once about a year a-go,
I got arrested for 'violent actions' or whatever,
Once about a year a-go.

do do do do do do do do do.

(MURDERER!)

I only see my goals,
I don't believe in 'failure'.

You see, when ur powerful like me,
It doesn't really matter,
If you have friends or not,
It's 'ok' to be lonely,
My fetus friends left me bc,
I was "dangerous" or something

Now in like modern times,
I still aint got nobody tooo love me,
Now in like modern times.

do do do do do do do do do.

Soon I'll be dead or sometin',
Cuz I aint got no friends, fam, or money,
Soon I'll be dead or sometin'.

I need aaaaa money,
I never ever had one,
So I can buy a sandwich,
One that'll taste yummy,
I do not like tomatoes,
I only like mayo-nese,
I wanna ham san-wich,
One on a whole wheat bun.

One day I'll get me a gooder sandwich, yummy yum,
Never tasted, a good sandwich, I weally wan one,
But first I'll need me a money, so I can go buy one,
I hope they have a small pepsi so I can eat bubbles.

Soon I'll have me a sandwich.

Will I think it tastes good.

Or will the stupid person put on tomatoes.

Soon I'll have me a sandwich.

Soon I'll have me a sandwich.

Chapter 5 by Sterling Silver

I Bet My Life- Imagine Dragons

I really don't want to talk about how dumb you are
I really think you're idiotic
So many sleepless nights where I think that you're ugly
Well, yes, I'm trying to be rude

Now remember when I told you that you're life is worthless
Remember when I broke you down to tears
I really don't want to talk about how dumb you are
I hope that you die in a hole

So I, I hate your guts, I hate your guts
I hate your guts so much
I, I hate your guts, I hate your guts

I hate your guts so much

But down to earth

Now tell you twice

you
don't look like no witch.

I stand by what I said
I'll throw a shoe,
in fact, I think will
right now too.
It hits you right
in the eye.
I don't think you will surely die.

It's my sandwich!
